00:03:40
Right.

00:03:44
You know, how do you feel that you?

00:03:45 Speaker 3

00:04:15 Speaker 3
Rattling off. So are you from here?

00:04:17 Speaker 3

00:04:19 Speaker 1

00:04:22 Speaker 3
How can you come?

00:04:24 Speaker 1

00:04:26 Speaker 1
That I came up here started out, I came.

00:04:29 Speaker 1
Up.

00:04:29 Speaker 1
Here, just to dope running dope back and forth. Making money, love chatting. What kind of dope for your other side? I try not to get involved.

00:04:38 Speaker 3
No, but good Lord, what if you?

00:04:40 Speaker 3
Get.

00:04:40 Speaker 3
Cold.

00:04:42 Speaker 3
Did you ever get pulled over with the car?

00:04:45 Speaker 3
I don't care for you at that.

00:04:46 Speaker 3
Time. I just like talking.

00:04:46 Speaker 1
I'm pretty. I'm pretty, pretty cool and refreshing.

00:04:50 Speaker 3
How much are you carrying?

00:04:51 Speaker 3
At that time 3 lbs.

00:04:53 Speaker 3
Or you know what you're looking at at?

00:04:54 Speaker 3
That town, whatever do write you a ticket.

00:04:57 Speaker 3
For speeding, you're all too close. What love?

00:05:00 Speaker 1
Suspicion they I forgot what he said it was. I know what it was. He saw three black guys and a white dude and an Apollo.

00:05:08 Speaker 3
Do you drive?

00:05:10 Speaker 1
No, we keep everything pretty tight. Whenever I got a license.

00:05:14 Speaker 3
To ship how long you know.

00:05:15 Speaker 1
Derek, I met him in jail.

00:05:18 Speaker 1
Coffee County he was he had Ray County didn't hold him, so they sent him down there. I met him. I had. I had the POA.

00:05:26 Speaker 3
And you have to get.

00:05:27 Speaker 3
Pretty tight what we're going.

00:05:28 Speaker 3
To talk about what I'm hearing for him to.

00:05:30 Speaker 1
I had.

00:05:32 Speaker 1
I love him, man, and I hate I'm doing this really.

00:05:35 Speaker 3
Wait. But I mean, you realize what it did.

00:05:39 Speaker 3
I mean, I know what you're saying. You can still like, but you know what he did the worst.

00:05:42 Speaker 1
Thing you do to know human being? Yeah. But I mean, I know that.

00:05:46 Speaker 1
I know that there's a lot of like and and and I'm not like, but I mean.

00:05:50 Speaker 1
I'm.

00:05:50 Speaker 1
A patriot. But I know that there's a lot of foreign citizens that have.

00:05:53 Speaker 1
Been killed?

00:05:55 Speaker 1
In the name of an idea, you know saying and their idea is it to them is just as just as logical as, just as justified.

00:06:05 Speaker 1
You know, saying and so we go to another country, we kill somebody and and they completely believe in their cause, you know, saying some of them don't even they don't even know what a New York City looks like. They don't know what world.

00:06:15 Speaker 1
And and you know, we go there. And no, I wanted to be, you know, we go there and we kill these people. And that being said, I'm a patriot. If it comes down to.

00:06:17 Speaker 3
Were you in the?

00:06:18 Speaker 3
Military.

00:06:25 Speaker 1
Somebody else or my country, you know, saying.

00:06:26 Speaker 3
Yeah, but what?

00:06:27 Speaker 3

Tell me where.

00:06:28 Speaker 3
Your correlation to that idea goes to what happened to Randy.

00:06:33 Speaker 1
At a young age, he decided probably he wanted to be what affiliation with him. I know he game, but I know he's in the game. Randy Randall.

00:06:41 Speaker 2
I don't know what I don't.

00:06:42 Speaker 2
Know what it is.

00:06:43 Speaker 1
Well, I know he was something, you know, me or he was associated the young age.

00:06:46 Speaker 3
We talked to him about that, but he didn't.

00:06:47 Speaker 3
Do it has been a long time.

00:06:49 Speaker 1
Well, at a young age, he decided he doesn't want to be a law abiding citizen. He wants to.

00:06:52 Speaker 1
Hang banger? You know? Saying so like me right now like I deserve. If they catch me and shoot me, I know that I had it coming. Because what I'm doing right?

00:07:00 Speaker 1
Now, like I'm breaking the code.

00:07:02 Speaker 3
So do you think, if so, do you think?

00:07:06 Speaker 3
The code of the streets or criminal or whatever is.

00:07:09 Speaker 1
I was 15. I got pumped up, you know, I came home, Vice Lord, and I've been doing it real.

00:07:14 Speaker 1
Hard since.

00:07:15 Speaker 2
Before going.

00:07:16 Speaker 1
You can't be.

00:07:17 Speaker 1
White before corner.

00:07:18 Speaker 2
So you all know.

00:07:19 Speaker 1
No, I'm, I'm. I'm still sorry.

00:07:21 Speaker 2
Sister.

00:07:22 Speaker 3
So that that been year and Derrick thing y'all's connection to us both being.

00:07:27 Speaker 1

When he came into the pond like I saw him and he's like I could smell the vice little on him, you know, I mean.

00:07:31 Speaker 1
I've been billed.

00:07:32 Speaker 1
Since 15 I just know, but then like he had his shirt off and I could see like, some of his tattoo stuff. I had to pee OA for the, for the, for the, for the for the jail.

00:07:41 Speaker 3
So what's travelling by Florida? Just anybody.

00:07:43
It's just new, just.

00:07:44 Speaker 1
Different kind of different kinds of isolates, different families. But y'all don't click up with each other. Or do you know? Because I know Chattanooga had several traveling.

00:07:54 Speaker 3
At one time.

00:07:55 Speaker 1
It's kind of it's kind of like.

00:07:58 Speaker 1
Rolling 60s, rolling 40s stuck with each other for two weeks extent because they're in in California because they're both neighborhood or whatever. But in Chattanooga, I know that 6 was until 40s a lot. And then like it's just good. Yeah. It's just hoods on hood like. But it's the same thing. Like, we got the VLAN we're all supposed to be almighty nation. But if I don't.

00:08:10 Speaker 3
We've had some shootings our ends.

00:08:18 Speaker 1
What's with the mafia? I don't **** with him. He my family.

00:08:22 Speaker 1
I mean, we're all isolated at the day. We're all supposed to **** with each other, but.

00:08:25 Speaker 1
If he and my family.

00:08:26 Speaker 1
**** him. You know what I mean? And then if I don't **** with some Cicero Cicero, we got things with us right now. Like there's two different.

00:08:34 Speaker 1
It's like a power fashion between two different groups of.

00:08:37 Speaker 1
People inside the family.

00:08:37 Speaker 3
Following two different people and they do, they always do that somebody wants to be taught?

00:08:41 Speaker 2
About 7.

00:08:43 Speaker 1
Yeah. And then like, you got a proper demonstration. And then like my top hat is the highest ranked Cicero in the state of Tennessee, you know, saying my, my, my, my status, I got status, my status goes all.

00:08:53 Speaker 1
The.

00:08:53 Speaker 1
Way to the land. I'm the only I'm the only elite white Cicero. I know that's really.

00:08:59 Speaker 1
And but I mean, I don't. I don't do that ****. No.

00:09:02 Speaker 1
More just because I know I broke the code.

00:09:05 Speaker 3
How'd you break it?

00:09:07 Speaker 1
I'm breaking it now. Do you?

00:09:09 Speaker 3
Know can I tell you what I?

00:09:10 Speaker 3
Think.

00:09:10 Speaker 3
That means you have.

00:09:12 Speaker 3
A conscience? That's what I think and I think.

00:09:14 Speaker 3
I think that's always been this right here. It's been this right here.

00:09:17 Speaker 1
Just pull it. I mean, I think I think in the.

00:09:20 Speaker 1
Last.

00:09:20 Speaker 1
Year or so, let's just being human man. Last six months I've started to develop a conscience and certain things that they kind of haunt me.

00:09:27 Speaker 1
But I think a lot of it's also. I'm just, I'm a *****. Like I don't want to do life for somebody else's body. When I came up here to get.

00:09:34 Speaker 1
I came up here to.

00:09:34 Speaker 3
Get some dope. You know what I told he he heard something the first time I interviewed it. Somebody one time. I think they're ******** and they looked at me and they told everything.

00:09:45 Speaker 3
Everything on somebody that's supposed to be their boy, just like what you're talking about. And he said, man, why do 10? And you can tell on a friend. That's that's what it's funny, but it's stuck with me. Everybody's the same way when it comes down to that.

00:09:56 Speaker 1
She's gonna keep me up. Probably.

00:09:58 Speaker 1
For the rest of my life.

00:10:00 Speaker 3

You would you would do you know what's crazy? You wouldn't hate that. It probably will, but it wouldn't be normal. But.

00:10:07 Speaker 3
You understand what I'm saying?

00:10:08 Speaker 1
He was really good to me, so he's been he's probably my best friend.

00:10:12 Speaker 3
But Derek. Derek snuffed somebody life out, man.

00:10:16 Speaker 1
For money.

00:10:19 Speaker 1
And that's restore.

00:10:24 Speaker 1
I mean, yeah, he can go.

00:10:24 Speaker 1
Get.

00:10:25 Speaker 1
A job.

00:10:26 Speaker 3
I can tell you this.

00:10:29 Speaker 2
You can listen to everybody with this.

00:10:30 Speaker 3
You say starve, I say greed.

00:10:33 Speaker 1
I mean, I don't. I did like man, what I tasted that dope money.

00:10:39 Speaker 1
That's how I stand to.

00:10:39 Speaker 3
Let's get in. We have.

00:10:40 Speaker 1
Walk away from.

00:10:40 Speaker 3
To you know, by thing, we're going to run through your your.

00:10:45 Speaker 3

00:10:51 Speaker 3

00:10:54 Speaker 1

00:10:56 Speaker 3
We have to read them.

00:10:57 Speaker 3

00:10:57 Speaker 1
You're just.

00:10:59 Speaker 3
Could make it a lot easier.

00:11:01 Speaker 2

00:11:03
Or.

00:11:07 Speaker 2

00:11:09 Speaker 1

00:11:12 Speaker 2

00:11:16 Speaker 1
[address removed]

00:11:20

00:11:21 Speaker 1
We're Shelbyville, Denver county.

00:11:25 Speaker 3

00:11:27 Speaker 3
You you told me if that's who you cared about and you lost your mom. How old were you? Lost your mom?

00:11:33

00:11:34 Speaker 3
So I lost mine when I was 14.

00:11:38 Speaker 1

00:12:04 Speaker 2
Your verbal acknowledgement.

00:12:08 Speaker 2
Makes it easier without you having the time. You know I'm saying.

00:12:11 Speaker 2
I don't want to, you know, bring that.

00:12:12 Speaker 3
Well, the verbal is that's because.

00:12:14 Speaker 3
It was to prove that it actually occurred. Now that there's video and audio, but you hearing it and acknowledge and it's good.

00:12:21 Speaker 3
Enough as a second.

00:12:23 Speaker 2

00:15:25 Speaker 1

00:15:34 Speaker 1
Earlier that day.

00:15:36 Speaker 1

00:15:37 Speaker 1
I had talked to him on the phone, Brown.

00:15:40 Speaker 1
I was, uh, I was supposed to go to Chattanooga, pick him up.

00:15:44 Speaker 3
When you say earlier that day, what?

00:15:45 Speaker 3

00:15:48 Speaker 2
And which day is it?

00:15:50 Speaker 1

00:15:53 Speaker 3

Know. Come on down here. I need to make some money.

00:16:32 Speaker 1
He said ain't a whole lot of boot on the ice. There's some heroin and I was like, I don't **** with the heroin. I know some people that do. I can bring you down here said let you set up shop with them. Just bring me some boot.

00:16:44 Speaker 1
So we worked that out.

00:16:46 Speaker 1
We had some other little plans and schemes and **** we talked about and.

00:16:51 Speaker 1
I'm supposed to go pick him up well.

00:16:53 Speaker 3
Anything in that conversation?

00:16:55 Speaker 1
Nothing. Nothing. Yeah, completely.

00:16:55 Speaker 3
Without let you later. OK, just making sure. Go ahead.

00:16:59 Speaker 3
Had no idea.

00:16:59
Right.

00:17:01 Speaker 3
And just just for the record, you had met him in jail, y'all sort of just hit it off. You're both vice Lords y'all met in Coffee County jail.

00:17:09 Speaker 1
He just found out I was real knowledgeable about what?

00:17:11 Speaker 3
I am how long ago you'll meet up in.

00:17:12 Speaker 3
Cobb.

00:17:13 Speaker 1
County is there my last prison? I mean, my last little jail stint.

00:17:16 Speaker 3
That's a year or two years.

00:17:20 Speaker 3
Let's go. OK, so go ahead so.

00:17:21 Speaker 3
You have that conversation.

00:17:23 Speaker 1
And I tell him I'm supposed to go.

00:17:25 Speaker 1
Pick him up well.

00:17:27 Speaker 1
I guess it's kind of a blessing.

00:17:29 Speaker 1
Stupid *** *****. I was really got swagged out on xanaxes and like she was trying, she was chasing these little bags chasing these little quarter grams tags and chasing these like these 22 xanaxes. So I snapped out on her and like, why are you chasing?

00:17:40 Speaker 1
These little *******.

00:17:42 Speaker 1
You know, little personal sacks when we could go to Chattanooga, I go pick up a bag and we come down here and get some money. And she was like, that's all I think.

00:17:50 Speaker 1
She was like.

00:17:52 Speaker 1
She piped off at me and I don't.

00:17:54 Speaker 1
Where where you at physically at this time? Alto Tennessee Alto. So I was like and I'm not going to let no. Especially not. No junkie *** ***** talk crazy to me. So the the female that was out there in the parking lot of there or the driveway of their house I was like.

00:17:58 Speaker 3
OK.

00:18:07 Speaker 1
What are you trying to, Chattanooga?

00:18:11 Speaker 1
And she was like, she had her boyfriend.

00:18:14 Speaker 1
But you know, I was like, y'all could both go and I said we can show we party whatever. So I convinced them I gotta get mouthpieces. I convinced them to take me up there.

00:18:22 Speaker 1
We got up there, you know, I'm a player. I've been.

00:18:25 Speaker 3
Got up to where?

00:18:25 Speaker 1
Asking.

00:18:26 Speaker 1
To Chattanooga, we came up. We was about 5 miles from Howard Johnson. She was like.

00:18:30 Speaker 3
What time you think this is at 10:00?

00:18:32
OK.

00:18:33 Speaker 1
11:30 at the latest she was like late enough that everything was closed. That's old bleach because he called me and I called him and asked him where in Chattanooga you at?

00:18:40 Speaker 3
Is this a second phone call?

00:18:43 Speaker 3
You talked about the phone call at 1:00.

00:18:43 Speaker 1
We talked several times of the day he go. Where the **** are you?

00:18:46 Speaker 1
And I'd be like.

00:18:46 Speaker 3
Anything popped up about something going down. He talked about who he was with during.

00:18:48 Speaker 1
Nothing. And he go talk.

00:18:49 Speaker 1
To the phone.

00:18:51 Speaker 3
The day or is he going to be seen?

00:18:51 Speaker 1
You go talk with them.

00:18:53 Speaker 3
He nothing. OK, so when he called you and asked for bleach or to pick up bleach immediately.

00:18:54 Speaker 1
Yeah.

00:18:58 Speaker 1
I called him, I said, where are you at? And he said I'm at the Howard Johnson Room 220.

00:19:02 Speaker 1
One get reached.

00:19:03 Speaker 3
Did you have been to that Howard Johnson before?

00:19:05 Speaker 1
I think that might have been that was the first motel I stayed in in Chattanooga.

00:19:09 Speaker 3
How did you know to go to?

00:19:10 Speaker 3
That Howard Johnson.

00:19:11 Speaker 3
He told the address. They tell you the address.

00:19:12 Speaker 1
I don't know.

00:19:14 Speaker 1
Nah, he said. The Howard Johnson by the hill.

00:19:17 Speaker 1
Or something. I was like. There's only one Howard Johnson in Chattanooga.

00:19:21 Speaker 3

He gave me there, used to be two or.

00:19:23 Speaker 3
Three. But I don't want to have this.

00:19:24 Speaker 1
I don't know, he told me. It was the Howard Johnson by something, or by wins or something like that.

00:19:28 Speaker 3
OK. But he told you to bring bleach? Yeah. How much did he say? Bring as much.

00:19:28 Speaker 1
And I don't remember.

00:19:32 Speaker 3
As you could or just bring bleach.

00:19:33 Speaker 1
She said. Just get a gallon or two of bleach and.

00:19:35 Speaker 1
I was like, I knew it.

00:19:35 Speaker 3
When he said that what?

00:19:38 Speaker 3
What?

00:19:38 Speaker 3
Did what you knew what it was.

00:19:40 Speaker 1
Well, I mean, I thought that, uh, I thought something happened in the motel room like, like somebody tried to rob him or something. And yeah, somebody got popped.

00:19:46 Speaker 3
And they killed somebody. Had this ever happened before?

00:19:49 Speaker 1
Miss Chattanooga, it probably happens every.

00:19:51 Speaker 3
Day I'm talking about with you or him.

00:19:54 Speaker 3
OK.

00:19:54 Speaker 1
Like, I mean, there's been some close calls, but I mean.

00:19:57 Speaker 3
When he answered, when he.

00:19:58 Speaker 3
Asked for bleach. He didn't tell you anything. You.

00:20:00 Speaker 3
Knew something bad happened. Yeah, OK.

00:20:03 Speaker 1
There's no reason why he's going to call me at 11.

00:20:05 Speaker 1
30 at night or me call him.

00:20:05 Speaker 3

You still got that male and female.

00:20:07 Speaker 3
From auto with you.

00:20:08 Speaker 1
Yeah, yeah, yeah. I'm in the car. I just told him about. Look, stop here at.

00:20:11 Speaker 1
This.

00:20:12 Speaker 1
Mapco and I went in and there was the the bottles of the.

00:20:17 Speaker 1
Liquid hand sanitizer. I grabbed those.

00:20:18 Speaker 3
What the bottles look like?

00:20:21 Speaker 1
Kind of like a whole bottle, like a little bit like looking at.

00:20:23 Speaker 3
We went there. I just thought that was unique. Did you?

00:20:25 Speaker 1
Ever seen that? The darker I think I I don't, I don't might have been white. I don't remember I.

00:20:29 Speaker 3
Just I got one of those. Did you ever seen them looking like old cans or old bottles? Like Castor oil like that for? That's only place I've ever seen. No, I'm just saying the only place I've ever seen it is that place where they put it in. Like, like, quarts of oil.

00:20:35 Speaker 1
I never mind.

00:20:40 Speaker 1
Well, I guess that's.

00:20:42 Speaker 1
I guess it was good for your case probably.

00:20:44 Speaker 3
I'm just saying it's. I mean, it's very unique, but go ahead.

00:20:45
Yeah.

00:20:46 Speaker 1
Yeah, that's what I'm saying is unique and.

00:20:48
Right.

00:20:50 Speaker 1
So I got one of those. I went to the.

00:20:51 Speaker 1
Room one of their.

00:20:52 Speaker 3
About one, OK.

00:20:54 Speaker 1
I got in and two 2 liters of like drink was like.

00:20:58 Speaker 1

You know, we're Thursday, so and then I got a I went to the room, went upstairs, I got some dope, brought it back down to the people, forget for the ride. But I finessed them into like I told them I was going to, like, give them dope for bringing me. And I was going to if they had some money, they spend it. I ended up just serving them for what? They spent the money on and ice and.

00:21:19 Speaker 3
Who was all?

00:21:20 Speaker 3
Up in the room when you went up.

00:21:22 Speaker 1
See like.

00:21:24 Speaker 1
It was his baby. Mama, do you know her name? No.

00:21:28 Speaker 1
Know.

00:21:28
She.

00:21:29 Speaker 1
I'll share it. Shared chair she's got.

00:21:31 Speaker 1
A weird ******* name.

00:21:34 Speaker 1
Pregnant.

00:21:36 Speaker 3
Is she white?

00:21:36 Speaker 1
Or black, white. Kind of looks like a. Looks like her name should be Jennifer and looks like she should.

00:21:41 Speaker 1
Live in a trailer park, but.

00:21:42 Speaker 2
Because you've had, well, pregnant fat.

00:21:44 Speaker 1
Pregnant. Fat. It looks like she probably would be fat.

00:21:45 Speaker 2
LG.

00:21:46 Speaker 1
Usually.

00:21:48 Speaker 3
This is Steve.

00:21:50 Speaker 1
I'm so where I'm from. I'm so used to *******, IG.

00:21:53 Speaker 3
When you say Craig, you mean last last trauma after, like six months ago?

00:21:56 Speaker 1
I mean like she speaks in a pop and she's still smoking.

00:21:58 Speaker 1

Off a foil like yeah.

00:21:59 Speaker 2
Really.

00:22:00 Speaker 1
Like and I and I saw I actually snapped out on her and her big 5 try to get tough on me. Like like, don't talk to my baby Mama like that. I'm like, don't let.

00:22:07 Speaker 1
Your baby Mama smoke ******* dope while she's pregnant.

00:22:09 Speaker 3
The big fives in there.

00:22:11 Speaker 3
Do you know big guys around there?

00:22:13 Speaker 1
Him Johnson or John Brown? I said. Jonathan. Him brown. Her. His baby Mama. And that was me. And I brought a girl with me. But like she's just, she was just like she just wanted to get some.

00:22:27 Speaker 1
Here.

00:22:28 Speaker 3
Did she go up to the room with you?

00:22:29 Speaker 1
Yeah, but like she wasn't involved. And like, she doesn't know what's going on.

00:22:32 Speaker 3
What what it could do is nothing devolves with like what the conversation was between you, brown and all that. Just the fact that y'all went down there. We may talk to her and say, did you go to Howard Johnson with him that night? Get dope? We may it.

00:22:43 Speaker 3
Feels how you feel. Let's get through this.

00:22:44 Speaker 1
I don't. I don't feel good about that at all because I don't wanna put it. I don't wanna put her into like a situation that I didn't if I didn't know what was going on, I went abroad.

00:22:45 Speaker 2
OK.

00:22:46 Speaker 3
Then scratch.

00:22:47 Speaker 3
Then scratch it.

00:22:49 Speaker 3
Then let's let's scratch it. OK, scratch.

00:22:52 Speaker 3
It I'm I'm going to.

00:22:53 Speaker 3
Be that way with you.

00:22:53 Speaker 1
I just. I just, I know that y'all said. I can't lie, so I didn't. I know you probably mentioned favorite.

00:22:56 Speaker 3
No, and I.

00:22:57 Speaker 3
Appreciate that. And I'm telling you on recording scratched.

00:23:00 Speaker 3
Hi Deb, I'm talking to her.

00:23:01 Speaker 1
OK. She's a good girl. She's a strong.

00:23:03 Speaker 3
You haven't told us her name. Just move on. That's what I'm saying.

00:23:06 Speaker 2
You said there was a UB5 and a brown in them.

00:23:09 Speaker 1
It's just big.

00:23:10 Speaker 3
Big 5 and Derrick Brown, who you call. What do you call Derrick Brown?

00:23:13 Speaker 1
Lady lady.

00:23:15 Speaker 3
OK. I'm just saying we got to get.

00:23:16 Speaker 1
Yeah.

00:23:17 Speaker 2
You right.

00:23:19 Speaker 3
And those, those are just the three that are in the room.

00:23:24 Speaker 1
And so we go up there. We ******** for a minute. Big 5. We got this big *** ******* chopper. This got damn obnoxiously sized. SK the 30. Yeah.

00:23:32 Speaker 3
I told you. Yeah, I told you when you brought that he knows this. That's very.

00:23:36 Speaker 3
Significant to us.

00:23:37 Speaker 3
What is he saying about that chopper?

00:23:40 Speaker 1
He's he's asking me because, you know, I'm. I'm a country boy. I'm a white boy, country boy or whatever he asked me about the gun. I'm like, like the receivers sucked up on the gun. Like it's not going to cycle around. It's like where the clip, you know, saying where the, you know, say it's locked up. So, you know, saying you're going to have to probably get a new receiver for the for the whole gun or something or whatever the.

00:23:56 Speaker 1
Forgot what the I forgot what the piece is called where the where the clip.

00:24:00 Speaker 1
For the magazine, you know.

00:24:01 Speaker 3
Magazine one, OK.

00:24:01 Speaker 1

I'm.

00:24:01 Speaker 1
Saying yeah. Magazine. Well, yeah. Well, it's locked up. Like, it's not gonna. It don't hold the clip properly. So. But you can cycle around into the Chamber and you got one good shot. And I mean it's a 7.62 so.

00:24:13 Speaker 3
Yeah. I mean, you're gonna obliterate something. You forget.

00:24:15 Speaker 3
It with us, yeah.

00:24:16 Speaker 1
Especially close range, so he uh. So we're like, I'm like, that's a big *** gun, you know? So I'm in there, we get high and ****. How long do you think?

00:24:26 Speaker 3
You're in.

00:24:26 Speaker 1
The room 45 minutes.

00:24:29 Speaker 1
Just like maybe an hour.

00:24:30 Speaker 3
See any other guns?

00:24:34 Speaker 1
9mm Smith and Wesson.

00:24:36 Speaker 3
Silver for black black.

00:24:38 Speaker 1
His military police flipped out tactical.

00:24:39 Speaker 3
Come on.

00:24:41 Speaker 3
Who's caring? Who's carrying that?

00:24:43 Speaker 1
It was just like laid up.

00:24:45 Speaker 3
Do you know who ended up taking it?

00:24:46 Speaker 3
When you left.

00:24:47 Speaker 1
I mean, it's the same gun he always carries.

00:24:49 Speaker 3
Being there.

00:24:50 Speaker 1
Movie to.

00:24:53 Speaker 2
Hillary Hillary Clinton.

00:24:55 Speaker 3
Dude, we already know about what he did.

00:24:56 Speaker 3
And we got that.

00:24:56 Speaker 2
He claimed the gun the MP.

00:24:58 Speaker 3
I will be honest with you, Derek. Derek. Don't know this is coming. If you tell him, know that you're still working both sides. He's looking at federal charges that pretty much gonna put him away for life anyways. Because of that gun.

00:25:08 Speaker 3
They got caught up.

00:25:08 Speaker 1
I know, I know, I know.

00:25:09 Speaker 2
There, he claimed it.

00:25:11 Speaker 3
So understand what we're really trying to.

00:25:13 Speaker 3
Do is get.

00:25:14 Speaker 1
And that's what's ******* me up. But that's what's ******* me up about all this. Because I know if he claimed that gun he it's because he don't want me to have that gun because he knows I'm a felon.

00:25:15 Speaker 3
And find the body.

00:25:23 Speaker 3
No, no, no, no, no, that ain't that. Ain't that ain't what what I promise you I can't tell you any more that that ain't what went down. That ain't he. Think I'll just tell you this. He thinks he's playing everybody police involved. Do you understand what I'm saying? But anyhow, so you are up there for 45 minutes.

00:25:24 Speaker 1
I'll review it.

00:25:27 Speaker 2
I know.

00:25:42 Speaker 1
Maybe longer. I don't know. Next time is different so, but I went downstairs. I got the luggage out the back, like out the car. The personal fixed. I got some blunt shells because at this point I'm stressed the **** out because they're all geeked up and I'm the only one half *****.

00:25:57 Speaker 3
Well.

00:25:58 Speaker 3
Baby Mama, I think we call her. What is it? Jihad. Jahara. Jahara something, something like that. Her and B5 are all up there. What are they? What are they, drugs? Are they taking everybody's everybody's myth? OK, now, when the realize gets hit.

00:26:13 Speaker 2
Is it you want the ****** cup?

00:26:16 Speaker 2
Would you call it rerun?

00:26:18 Speaker 1
Free rock and just I'm. I'm a professional with they overdo it they they I take like if I got like 4 oz I take like 1/2 ounce to maybe an ounce depending on how good the dope is and I cut it and then.

00:26:30 Speaker 2
Understand.

00:26:31 Speaker 1
Yeah, I mean it is what it is.

00:26:34 Speaker 1
The worst thing to do is make your nuts hurt as far.

00:26:36 Speaker 1
As I'm concerned, but I mean like.

00:26:40 Speaker 1
But I mean, I stretched that pack, but I don't like stretching my dope, but.

00:26:43 Speaker 1
It was the.

00:26:43 Speaker 1
Rope I'm paying at the prices I'm paying. Like you're *** **** right. You're gonna pay for cut and you can pay for the bag. You.

00:26:49 Speaker 1
Might pay for shipping and handling so.

00:26:52 Speaker 1
They were like, why is there a drought?

00:26:55 Speaker 1
900 keys got caught up in Knoxville with like some power players.

00:26:59 Speaker 1
Some you know, saying you don't feel that. Yeah, it's not so much the 900 keys. I don't think they got the supply cut off cause there's plenty of dope and then you got all the little tributaries like, you know, little country boys like, you know, with bottle. Like with the shaking.

00:26:59 Speaker 3
And it cuts the supply off.

00:27:01 Speaker 3
Completely.

00:27:11 Speaker 1
Bottles or like they.

00:27:13 Speaker 1
Got like buckets in the ground. I mean, there's dope. And then just those six people, they got caught up in that.

00:27:19 Speaker 1
That conspiracy, those are the people who have the connection.

00:27:22 Speaker 1
You know, saying you can't just just because you're Mexican or just because you know some people don't mean you can call some cartel member and say, hey, I need.

00:27:23 Speaker 3
OK.

00:27:29 Speaker 1
900 Cuba dope.

00:27:31 Speaker 1
You know, I'm saying you got to have the capital or you got to have a face card worth a couple 100 bands playing thing, you know? So those people, when they got caught up, I'm pretty intelligent, I'm a business and I'm like, well, that's.

00:27:42 Speaker 1
That's.

00:27:42 Speaker 1
Tennessee, Knoxville. That's Tennessee. That's East Tennessee right there.

00:27:46 Speaker 3
We saw all the dope for that.

00:27:48 Speaker 3
For a while.

00:27:48 Speaker 1
Yeah. **** the dope. That's the people who can get the dope, right? Yeah. Who? Who's going to have the dope? You know, say, now, now you gotta go to ******* Alto or bum. **** Egypt and you gotta find some. Got damn geeked up control with the table barrel. Yeah, with a double barrel shotgun. Spun the **** out. Talking about you're the police because you got a white hat on or some, you know, I mean, like, you got to deal with those people.

00:27:51 Speaker 3
That's what I'm saying.

00:27:59 Speaker 3
The cooking themselves.

00:28:09 Speaker 1
So never like.

00:28:12 Speaker 1
So they're like, uh, I'm off subject now. So I go down.

00:28:15 Speaker 3
I asked you, but go ahead. So there. Everybody's picked.

00:28:17 Speaker 3
Up you bringing in the luggage, bringing in some lunch.

00:28:19 Speaker 1
So yeah, so I mean, I do, I'm a I'm a branch elite in my family and saying, but I like like Derek, he's got a lot of statics. He's a glove. So I'm supposed to step up and like, if, you know, saying take charge. So I step up.

00:28:31
So.

00:28:32
If.

00:28:32 Speaker 3
If rank is you, you outrank.

00:28:34 Speaker 3
Him in this about.

00:28:34 Speaker 1
You know, he outranks me by a whole lot, but like, he like a universal is supposed to be a guest on the deck, or they're supposed to. They oversee things, but he's not supposed to have to.

00:28:44 Speaker 1

Like make like when you know you're big when you're big chief, you're not supposed to. Every single ******* little decision, you know, saying you're involved in every little decision. That means that the people that you're working with aren't, you know, capable. They're not. You know, they're not. So me. I start seeing like, alright, he's got that he's dealing with the big picture, the big picture of whatever's going on. I need to step up. So I step on.

00:29:04 Speaker 1
Look, this is a big ******* deal. We didn't.

00:29:07 Speaker 3
What has he talked about?

00:29:09 Speaker 1
Nothing at this moment. He just.

00:29:10 Speaker 1
That.

00:29:11 Speaker 1
At this point, all I know and then they got on the phone with pony that ponies sent some money and some drugs for and and lined it up so that so we could get some guns and that pony put the hit out on do it and pay them in advance to do it. I just walked into the situation, but walking into it.

00:29:30 Speaker 1
Pony, want him hit. Did you hear on the phone? I was there when pooping on the phone. Said I was supposed to personally go meet Poom.

00:29:33 Speaker 3
Did you hear Pony saying that?

00:29:37 Speaker 3
He's saying that look.

00:29:39 Speaker 3
But you heard.

00:29:40 Speaker 1
Ponies voice. Yeah, saying I was supposed to. I was supposed to go with Brown and meet.

00:29:45 Speaker 1
I mean.

00:29:46 Speaker 1
Because he was like holding out some of the funds like he wasn't trying to come off.

00:29:49 Speaker 1
The last what he owed. We're doing this.

00:29:52 Speaker 1
Yeah, and and Browns like you give a **** if he's vice Lord. He don't come off the.

00:29:55 Speaker 3
Let me ask you something do.

00:29:56 Speaker 1
*** **** change. We're gonna shake his pockets up.

00:29:56 Speaker 3
You do you think there's any?

00:29:59 Speaker 3
We'll get to it. There's any doubt that maybe somebody else shot him, but Brown came in and finished it all.

00:30:05 Speaker 1
He'll get done with.

00:30:07 Speaker 1
And I mean, I wish I.

00:30:08 Speaker 3
Could say that who don't get.

00:30:09 Speaker 1
Down like that, he he don't let other people.

00:30:11 Speaker 1
Handle his bags like that.

00:30:12 Speaker 3
Well, I'm just saying maybe something went down. The other guy didn't want to finish it off and he called up Brown. I'm asking, I don't.

00:30:19 Speaker 1
No on the.

00:30:19 Speaker 3
Know.

00:30:19 Speaker 1
Phone.

00:30:21 Speaker 1
They were personally contracted out to.

00:30:22 Speaker 1
Do that.

00:30:25 Speaker 3
What? What did you hear? What was? How much he owed him altogether and what?

00:30:29 Speaker 1
He had they had paid like he. It is kind of. It is sad to say that his life was like $500.

00:30:35 Speaker 3
Altogether.

00:30:37 Speaker 1
I think there was like another $200 out.

00:30:40 Speaker 3
So each of them, each each, are you talking about each B5 and split and they're split 350 a piece.

00:30:40 Speaker 2
It's almost $800, you know.

00:30:46 Speaker 1
I'm.

00:30:48 Speaker 1
There was a little bit of dope, there was some heroin. They were supposed to get.

00:30:51 Speaker 1
3 grams of heroin, too, they'd already.

00:30:52 Speaker 3
They got the hearing and and how much have they?

00:30:54 Speaker 3
Gotten up to that point.

00:30:55 Speaker 1

2G, they've gotten 2 1/2 grams of heroin, and like $400.00, I think $300 or something like that. Then they had gotten after that. It was supposed to be like another $200.00 and another two and.

00:31:07 Speaker 1
1/2 grams of heroin was.

00:31:08 Speaker 3
Derek ****** on talking to Penny that he was holding.

00:31:11 Speaker 3
Out.

00:31:12 Speaker 3
What's he saying? He's like I.

00:31:13 Speaker 3
Killed this guy.

00:31:14 Speaker 1
But what was? No, I'm trying to.

00:31:16 Speaker 1
Tell you.

00:31:16 Speaker 3
OK, go ahead, he said.

00:31:19 Speaker 1
We, 35, that demonstration explain that 35 means to carry out.

00:31:24 Speaker 1
With him, he said that it's over with. That's done. Don't worry about it. Quit asking about it. It's done. You'll hear about it on the news. We 35. That demonstration. We need the rest of this.

00:31:34 Speaker 3
Trains 35 demonstration 35 means that's carried out. What this?

00:31:38 Speaker 3
Demonstration is.

00:31:38 Speaker 1
Anything can be a demonstration this is.

00:31:40 Speaker 1
A demonstration level.

00:31:41 Speaker 3
OK.

00:31:41 Speaker 1
It's just like 101 hundred.

00:31:44 Speaker 1
Just to push on, somebody just smash them, kill them, whatever he said. We 35, that 100, man, it's it's over with. You'll hear about it on.

00:31:52 Speaker 3
The news and you heard that.

00:31:53 Speaker 3
You automatically know and your your language and.

00:31:55 Speaker 3
Your.

00:31:55 Speaker 1
I know it's all related. It's somebody that you just choose to cook so.

00:31:59 Speaker 3
Had you heard anybody's name about who was dead? OK.

00:32:01 Speaker 1
No, they're not going to do that. They just said.

00:32:03 Speaker 1
The demonstration is.

00:32:04 Speaker 1
Done, man. We took that ******* trash out and he said that, yeah, he said we took that ******* trash out. He let know. Where's the rest of this change at and they started, like, really talking kind of reckless to them, like talking about like, low key because it because they're all they are talking to a universal. You have to be respectful. But they was like look, we're going to come see you.

00:32:22 Speaker 1
We need this change. Go ahead. Put that money on a Walmart or Walmart or something to put it on like a green dot money pack. And he said when he said he was going to.

00:32:29 Speaker 1
The store.

00:32:29 Speaker 1
He was going to get.

00:32:30 Speaker 1
A money pack get big 5 Baby Mama has the money to like a green dot card, so she's got her. Transaction account will show that you know, since she was loading.

00:32:39 Speaker 1
Green.

00:32:39 Speaker 1
Dots that he was sending her green dots and.

00:32:42 Speaker 1
And she was loading those green dot money packs so.

00:32:46 Speaker 1
They said they was gonna pick up the rest of that boy and they call it little man, you know, rilo. And they're going to pick up the rest of that rilo and.

00:32:55 Speaker 1
You know, saying after we got all the doper, then we're supposed to shoot back down my way where the prices were sky high. They were going to trap it out for a little bit.

00:33:02 Speaker 1
And I was going to see my little cut off that I was.

00:33:05 Speaker 1
They pretty much I got tasked with selling the vehicle.

00:33:09 Speaker 1
Because like they wanted, obviously they didn't get a.

00:33:11 Speaker 1
Whole lot of money out of this job.

00:33:12 Speaker 3
All the conversations still going on in the hotel room.

00:33:14 Speaker 1
Yeah. And they said obviously there's not a whole lot of money made off of this deal. So they're like, don't want to squeeze everything they can of it. I'm telling them, like, just quit *******.

00:33:23 Speaker 1

With that car, that car is gonna get you popped.

00:33:25
So.

00:33:25 Speaker 3
But this you hadn't talked about the car, but to that point, what?

00:33:29 Speaker 1
Yeah, I didn't talk about the car. I said at this point, I've already been down there, got everything out of the vehicle.

00:33:33 Speaker 1
Like I've done all the bloody clothes.

00:33:34 Speaker 3
OK, I didn't know you're talking about the silver.

00:33:36 Speaker 3
Car that had the blood.

00:33:37 Speaker 1
In it. Yeah, a lot of that.

00:33:38 Speaker 1
****.

00:33:38 Speaker 3
Why did he send you down?

00:33:38 Speaker 1
I got out. There was actually it.

00:33:39 Speaker 3
There to get it out.

00:33:41 Speaker 1
Was.

00:33:41 Speaker 1
I was high. I actually left a.

00:33:43 Speaker 1
Bag in the ******* parking lot.

00:33:45 Speaker 1
With bloody sneakers and my bloody clothes in the parking lot of that.

00:33:49 Speaker 2
Hotel. What color? What's naked? You remember.

00:33:52 Speaker 1
Like some ugly Jordans, some Leo's and Jade that you don't want to mention.

00:33:55 Speaker 3
What? What? The shirt or the clothes look like?

00:33:57 Speaker 1
I don't know. Like I said, it was bloody. And this is like COVID days. I'm not going to go peeking around some.

00:34:02
Yeah.

00:34:04 Speaker 1
You know, say like.

00:34:04 Speaker 3

Did you I get that? Did you think it was men or women?

00:34:08 Speaker 1
'S clothes. I didn't pay men's shoes. I think it was actually kicked 5 clothes. He just happened to get blood splatter.

00:34:14 Speaker 3
On it so.

00:34:15 Speaker 3
Did had was it Derek or B5?

00:34:18 Speaker 3
That sent you down there? Clean the.

00:34:19 Speaker 3
Car.

00:34:19 Speaker 1
Did you just? There's a real Big 5 tried to send me down there and I was like homie, we got equal.

00:34:24 Speaker 1
Status on different families. You're seeing me to do ****, but you're too ******* high. You're too.

00:34:28 Speaker 1
Whacked out. I'll go do this.

00:34:30 Speaker 1
Because, you know, I guess I was trying to.

00:34:31 Speaker 1
Kind of trying to shine.

00:34:32 Speaker 3
At this point, you knew that there had been somebody killed you. Did you just knew that there was.

00:34:34 Speaker 1
No, not at this point.

00:34:36 Speaker 3
Some blood and.

00:34:37 Speaker 1
I knew that bloody clothes in this car and I'm thinking maybe some one of the brothers like maybe the car got shot. Like like like some like, I just know somebody got hit, somebody got popped and I don't know if they're dead or not. I got for a long time. I didn't know. Randall. Randy. I didn't know his name until the investigator told me. I didn't know if maybe he just got hit and like he was like.

00:34:43 Speaker 3
I get you.

00:34:44 Speaker 3
You still don't know the backline, you just know something. We found that law. Somebody's life.

00:34:57 Speaker 1
Fly somewhere and they took them to Georgia to the like.

00:35:00 Speaker 1
You know, because I had, I had a homeboy. I had a homeboy in, like in in Lebanon. He got shot like. And so we drove him. One time, this went away like a kid. We drove him to Nashville, and we dropped him off, and he told everybody he was walking around CJC.

00:35:01

To Georgia there.

00:35:12
So.

00:35:15 Speaker 1
Projects trying to buy cracking a shot.

00:35:15 Speaker 3
There's got to happen here too, we have.

00:35:17 Speaker 3
Somebody that's killed shot.

00:35:18 Speaker 3
In Atlanta, and he died in the car somewhere in North Georgia.

00:35:21 Speaker 3
And they drove them up here and dumped them out. And.

00:35:23 Speaker 3
We have to find.

00:35:24 Speaker 3
Pump I.

00:35:24 Speaker 3
Get what you're saying, OK?

00:35:24 Speaker 1
Yeah. We just totally little ******* like you should have got shot. He was doing some stupid and he was like, wait, go in here and tell him trying to buy Coke and he got shot. They tried to rob you bucket and they shot you.

00:35:29 Speaker 2
It happens.

00:35:30 Speaker 3
We we we go.

00:35:33 Speaker 3
So.

00:35:33 Speaker 3
Take that stuff up, car.

00:35:34 Speaker 3
What all stuff do you see as your taking?

00:35:36 Speaker 1
Nothing like it's all in bags and ****, and I'm not like I'm not fixing go peeking around and.

00:35:39 Speaker 1
Just do bloody *** clothing.

00:35:40 Speaker 3
What'd you do with that those bag?

00:35:42 Speaker 1
Put him in the trunk. I put all this moved into the trunk and then we.

00:35:46 Speaker 3
When you looked in the trunk, what you say?

00:35:46 Speaker 1
Left a lot of blood.

00:35:49 Speaker 3

When you say a lot of blood, do you mean like a spot or show me with your hands like this if you can.

00:35:51 Speaker 1
Enough blood that.

00:35:56 Speaker 3
On the bottom of the trunk.

00:35:57 Speaker 3
That big, that big. How thick do you think it was on?

00:36:01 Speaker 1
It was already soaked through because you got that the the, the, the cloth covering thing that that hard flat that sits on top of the.

00:36:06 Speaker 3
You think? I think you're not a doctor. I understand that. Just like you've been around.

00:36:10 Speaker 1
I'm I've been deer hunting a whole long time to sit and I've seen people shot his dad. I got stabbed in prison. That amount of blood. Do you think somebody could have survived? No, no doubt. No, it's all. And I watch a lot of TV shows ship. But I deer hunt and mean. And I've had track deer that I shot and stuff. And I can tell you, like, different colors of blood.

00:36:12 Speaker 3
People.

00:36:27 Speaker 1
Where it got shot and like I could tell like like it was.

00:36:30 Speaker 1
You get blood look like lung blood.

00:36:33 Speaker 1
Like highly oxygenated blood, you know, my stepdad taught me that when I was a kid. Like if I lung shot a deer. I know that, you know, you lung. Yeah. You lung shot a deer it's it's it. It can run a mile. You know saying but so if I see pink blood I know I might have to go further to find you know say if I if I see.

00:36:37
Well, that's up for.

00:36:40 Speaker 3
Here it.

00:36:40 Speaker 3
Is.

00:36:46 Speaker 3
Do you have any doubt that?

00:36:50 Speaker 1
Real dark, dark, dark, ******* blood.

00:36:51 Speaker 3
Did you know that somebody might have been in the trunk? Or when you saw that?

00:36:53 Speaker 1
Porsche.

00:36:55 Speaker 3
Amount of blood you.

00:36:56 Speaker 1

Is in the trunk. If they were in the trunk, he had to be a really small person because I was all up in.

00:37:00 Speaker 3
No, no, no, not that there was. I'm saying, did you realize that the bottle or a person had to be in the trunk when you saw that mouse blow?

00:37:04 Speaker 1
Oh yeah, I know he's.

00:37:06 Speaker 1
Yeah, yeah, 100%. I knew somebody had been in the.

00:37:09 Speaker 1
Trunk of the car.

00:37:09 Speaker 3
Had you been told that?

00:37:10 Speaker 3
He'd been in the trunk.

00:37:10 Speaker 1
I didn't have to be, yeah.

00:37:12 Speaker 3
That's why I'm asking it's cause it's.

00:37:13 Speaker 3
So much blood there.

00:37:14 Speaker 3
Had to be a body at some point in the.

00:37:15 Speaker 1
At that point, this when he died and and I like I said, it was a.

00:37:21 Speaker 1
There's like pinkish blood, but there's also the dark blood, so I didn't know. Maybe they hit him in his chest and hit him in the head, but regardless, I didn't think they hit him in the.

00:37:28 Speaker 1
Head though there wasn't enough blood inside the car. Well, your your body, you know, your heart has to.

00:37:33 Speaker 3
Pump out about him out so your heart has to be working.

00:37:35 Speaker 1
Yeah, but if you hit somebody real quick, do something like that and you shoot them in the face at point blank range in a car with a 9mm there'll.

00:37:42 Speaker 1
Be a lot of ******* blood.

00:37:43 Speaker 3
Was going to be bad matter too or.

00:37:44
Teeth or?

00:37:44 Speaker 1
Can. Yeah, because there's, like, yeah, cause there's like it's going the concussion bulls gonna blow your teeth all.

00:37:48 Speaker 1
Over the ******* car.

00:37:49 Speaker 3
So yeah, when you go back upstairs.

00:37:53 Speaker 1
I shot a deer like I accidentally. I shot a deer spine, shot a deer one time. He was just laying there and my stepdad. He carried a pistol. When we deer hunting for just that cause. I'm gonna shoot point blank range with a rifle. Rick. Shane kill somebody. So he shot the deer with a 38 at like point blank range. And it was like it was like a pink mist hung over the ******* that area.

00:38:12 Speaker 1
Of the woods like.

00:38:12 Speaker 3
Go back, yeah.

00:38:13 Speaker 1
Yeah, it's just home there, you know, saying like a lot of ******* blood in the car, that's all going to.

00:38:17
So.

00:38:19 Speaker 3
So let me ask you this. When you go upstairs, do you have a conversation? Now, what you've seen about one you don't know better? I'm, I'm clear. I'm just you understand. I have to roll.

00:38:28 Speaker 1
At this point, like the girl that I brought with me, she's a really close friend of mine and we used to be involved or whatever. But before anything, she's my friend and I worried about her because.

00:38:37 Speaker 3
You know that you know what? You're.

00:38:37 Speaker 1
Need to talk?

00:38:38 Speaker 3
Involved in now.

00:38:39 Speaker 1
Like this? Like I really didn't want to be a part of that. You believe it or?

00:38:42 Speaker 1
Not that's not what I came to Chattanooga for.

00:38:44 Speaker 1
But.

00:38:45 Speaker 3
What do you think that's?

00:38:46 Speaker 1
I know that if I start to act like I'm scared, she's gonna start to act like she's scared and they're gonna shoot her. And she's a witness.

00:38:51 Speaker 3
Do you have ponies number too? OK, but this was a phone call from Derek's phone or Big Bob's phone to pony.

00:38:59 Speaker 1
Derrick flip.

00:39:00 Speaker 3
OK, so Derek's calling honey, let's.

00:39:02 Speaker 1

That was the evidence.

00:39:04 Speaker 3
Right. What time do you think that?

00:39:05 Speaker 3
Phone call happened.

00:39:06 Speaker 1
Maybe 11?

00:39:07 Speaker 3
1:00 in the morning.

00:39:10 Speaker 1
Right after that phone call.

00:39:13 Speaker 1
We because there's about, there's probably 300 shells for that, that rifle. They got all the shells together and shed. We cleaned up the rooms like **** like that.

00:39:20 Speaker 3
Why would they clean up the room? What?

00:39:22 Speaker 3
They worried about in the room.

00:39:22 Speaker 1
Just what I mean, like just in case for some reason like the feds kicking the door and they find a chopper with 300 rounds in there, you know you're going to federal prison.

00:39:31 Speaker 1
They reading the rooms are failing.

00:39:35 Speaker 1
Jalen is the only person.

00:39:37 Speaker 1
My friend's the only person in the room is not a felon. I'm thinking and she might even be a felon like I'm the, you know, I mean, like we're all going to federal prison. So get that ******* chopper out. The *** **** motel room because they don't need to ask you for permission. They just ask the owner.

00:39:48 Speaker 1
For permission. So that's what your room does. Their room. When y'all leaving. What?

00:39:50
All right.

00:39:55 Speaker 1
Me and brown, we go into the eclipse. He drives all through Chattanooga. Little *******, you know, Chattanooga roads, weird little Chattanooga wide ***. *** **** streets, the Mitsubishi. So we we go through there, we stop at some some car wash and we sit there and we *******.

00:40:12 Speaker 1
Eat potato chips and clean this *** **** car.

00:40:14 Speaker 3
Out that car wash in Chattanooga.

00:40:18 Speaker 1
We throw all the bloody clothes off and that.

00:40:20 Speaker 1
For the most part.

00:40:20 Speaker 3
If you have any out there with this car wash is that.

00:40:22 Speaker 1
I know it if I saw it, but I mean I have to drive around the seat.

00:40:25 Speaker 3
Any any other?

00:40:26 Speaker 1
It's sitting. It's sitting.

00:40:29 Speaker 1
Sitting kind of off of the road, but you could see the like the cars kind of like like if here's the like, if here's the the car wash the road kind of goes like this and you can see the cars going and like it's.

00:40:40 Speaker 2
Yeah, the poll.

00:40:42
Yeah.

00:40:43 Speaker 1
And then there's like, a dumpster.

00:40:45 Speaker 1
Over here like, you know, like a shaded area. Like it's one of those big wooded like, like wood, wood fence, then dumpsters over here to the it'd be the right if you're looking at the road. But where we.

00:40:55 Speaker 1
Were at to be my left. You know, I'm saying.

00:40:56 Speaker 3
When you came in to that location or out, did you notice any rest or fast food joints you know?

00:41:02 Speaker 1
There was something like across the street. If I'm standing like looking towards the street from the end of the big Rd. like a highway, really. And if I'm standing looking at that.

00:41:11 Speaker 1
Rd.

00:41:11 Speaker 1
With the with the car wash and all the like the cubicles behind me straight into the left, there was something like in my memory I see like a Brit.

00:41:19 Speaker 1
It's like a ******* it could have been a Motel 8. It could have been a *** ****. It could have been Wendy's. You know what I mean?

00:41:24 Speaker 3
You have to go between buildings when you.

00:41:26
Drove up the.

00:41:26 Speaker 3
Road off the road.

00:41:27 Speaker 1
I don't know.

00:41:28 Speaker 3
It sounds like it's done by high 50.

00:41:29 Speaker 3
Eight behind the.

00:41:29 Speaker 2
That's exactly what I was thinking. That's the.

00:41:31 Speaker 3
558 liquor.

00:41:34 Speaker 2
It got a little tire shop right here.

00:41:36 Speaker 1
I don't know. I I was I.

00:41:37 Speaker 3
Was high high.

00:41:38 Speaker 2
But it ain't nothing like when you get.

00:41:40 Speaker 2
On at the car.

00:41:40 Speaker 3
Hey I think you would recognize.

00:41:40 Speaker 2
Wash to the corner over here.

00:41:42 Speaker 2
It's nothing other but woods and ****.

00:41:44 Speaker 2
Right.

00:41:45 Speaker 1
Well, I was.

00:41:46 Speaker 2
Yeah, right there at that one end of it. So it's one way in and 1:00.

00:41:49 Speaker 2
Way out, right?

00:41:52 Speaker 2
That was.

00:41:53 Speaker 1
And then there's like, there's only. I think there's only one or maybe two places where they got the vacuum set up with the trash cans on the vacuum, and it's over, if you like, you look towards the road to the right if.

00:42:04 Speaker 1
You look from the road to the left.

00:42:05 Speaker 1
And we pulled there. We vacuumed the car out. I took the the hand sanitizer. We split it between us and we put it all over the car, wiped the car down. We got back in it. We got gloves, and we we drove to the rest stop.

00:42:19 Speaker 1
The one that I tell you about that leads down to the Watership we got there, we cleaned the car out some more. The trunk of the car.

00:42:27 Speaker 1

Had like.

00:42:28 Speaker 1
Obviously, the trunk of the car had to have a lot of work done to it like it was going to have to be. I'm trying to tell them why. Like there's no, there's not no selling this car, somebody going to know.

00:42:37 Speaker 1
OK. Like.

00:42:39 Speaker 1
But.

00:42:41 Speaker 1
They had to get the money. They're greedy.

00:42:42 Speaker 1
So we sat there the rest of the like Big 5, not, you know, with us.

00:42:44 Speaker 3
You're seeing today who is deep dive deep out.

00:42:48 Speaker 1
Is still you and Darren this is.

00:42:49 Speaker 1
Me and so.

00:42:52
Jayla.

00:42:55 Speaker 1
They all left and I told her to leave with them. She has a license, you know, and she can drive, drive them, get them the **** away from here. So you can I was really.

00:43:07
I was I.

00:43:08 Speaker 1
Was talking to her when they weren't around and she was telling her like, if you can get them out of the vehicle, take off in that ******* car and go with the ****.

00:43:14 Speaker 1
Home and she's just chasing that high, chasing that high. And I'm like, like get the **** out of here like.

00:43:20 Speaker 1
Just go home, you know, saying get out of here. Get back to the mountain. Take that truck. Give it to somebody up on the mountain. They can chop it. Whatever. Get the **** away from here. This ain't what you want to be she. She listens to her rap music. You know, like you get the **** out of here. Like around. This ain't for you. And so.

00:43:36 Speaker 1
Meanwhile, me and brown, we we stopped. The rest stop. We sit there, holler at some white girls, clean the car out. He's trying. He he looks on his phone. How to take the LoJack off the car.

00:43:49 Speaker 3
Same flip phone.

00:43:50 Speaker 1
No, he has some more.

00:43:53 Speaker 3
And then we he called make. I'm just making sure the.

00:43:54 Speaker 1
You say?

00:43:57 Speaker 3
Stuff we can.

00:43:58 Speaker 3
Google Chrome. No no, no. On the flip phone he called Pony earlier. OK, so anytime he talked to Pony was.

00:44:04 Speaker 1
That's a business phone.

00:44:04 Speaker 1
Really.

00:44:06 Speaker 1
And then uh.

00:44:07 Speaker 3
On that flip phone.

00:44:08
M.

00:44:09 Speaker 1
Then he we walked down there like a little path that leads down right down to the lake or the water or whatever. And there's like, some picnic tables there. We sat there.

00:44:16 Speaker 3
Here.

00:44:17 Speaker 3
I'm taking the low **** *** by the time.

00:44:18 Speaker 1
You know, we never took the load and we looked at it and ****, but it's just we never ******.

00:44:23 Speaker 1
With it.

00:44:24 Speaker 1
And then I.

00:44:25 Speaker 1
Was like is there a low?

00:44:26 Speaker 3
Jack on that.

00:44:27 Speaker 2
Car. I don't know, 18. I think it's 17 or 18, so it may have.

00:44:30 Speaker 1
I don't know where LoJack is so.

00:44:33 Speaker 3
Well, you know, talk about the.

00:44:33 Speaker 2
Yes, that's exactly what the logic is.

00:44:34 Speaker 3
GPS on the car.

00:44:36 Speaker 1

Yeah, I mean it's GPS, man. It might have because it was financed, I don't know. But then directly we got on the Interstate, I did not know we were leaving to go to Tullahoma, he just all he looks over me, he's like, look, we're going where you from?

00:44:52 Speaker 3
On the excursion, or that the silver car that got the dead where he was dead. Did you see any mud on tires or up on it like that?

00:45:01 Speaker 1
Mud all over these excursion.

00:45:03 Speaker 3
Mud all over the side of the.

00:45:04 Speaker 3
Excursion.

00:45:04 Speaker 1
Big Scourge is a big truck mud all over it. But there wasn't any blood in the trunk part of it because I've lifted the back hatch and I put some like some clothes in it for them that they had. There wasn't anything in there, but I know.

00:45:20 Speaker 1
Brownsville, Spring city.

00:45:22 Speaker 1
Or he's he. He'd be over just from chat, but he'd be out.

00:45:24 Speaker 1
There in spring.

00:45:25 Speaker 1
City and if you ever been to Ray County.

00:45:28 Speaker 1
I mean, if I had to drop a.

00:45:29 Speaker 3
Body I'd drop it off there. I'm in the right county.

00:45:32 Speaker 3
Because you're going up the side up onto the plateau in some parts of it, you have the right, yeah.

00:45:36 Speaker 1
Yeah, it's back in there and he's got people out there like that, are back in there.

00:45:37
Yeah.

00:45:41 Speaker 3
Does that make you think that's where are you just?

00:45:43 Speaker 3
Thinking.

00:45:43 Speaker 1
I thought that in the car earlier because you you acted.

00:45:45 Speaker 1
Like you didn't.

00:45:46 Speaker 1
Believe I I don't know where the body is.

00:45:46 Speaker 3

No, I didn't. No, I didn't say that. I I didn't know that I.

00:45:50 Speaker 3
Didn't believe you.

00:45:51 Speaker 3
Didn't believe that maybe you didn't have a conversation that he dropped a hint.

00:45:55 Speaker 3
Or I did.

00:45:55 Speaker 1
The first thing he ever said about it, and I was surprised, he said. It was when we were sitting down there by the water, he said. This is where we supposed to drop that ***** off.

00:46:02 Speaker 3
Did that make you?

00:46:03 Speaker 3
Think they didn't? Or he sort of hinted I'm.

00:46:05 Speaker 3
Asking you what did you wish?

00:46:06 Speaker 1
It may not. You don't do that. It's it's.

00:46:09 Speaker 3
So did he tell you or hint?

00:46:10 Speaker 3
Where they did.

00:46:11 Speaker 1
Drop him off. No, I didn't.

00:46:14 Speaker 1
And he didn't volunteer.

00:46:16 Speaker 1
OK so.

00:46:17 Speaker 1
But I mean, but that stuff, I know they were in Ray County earlier that day, him and big five 100% were in Ray County handling business.

00:46:23 Speaker 3
Earlier, when you say earlier where what time?

00:46:25 Speaker 1
Like 2 hours before it.

00:46:26 Speaker 1
Got there.

00:46:28 Speaker 1
Enough time for that blood to coagulate.

00:46:30 Speaker 2
It was quite late.

00:46:31 Speaker 1
In there. Yeah, it was like a *******.

00:46:33 Speaker 3
Was like you think by what you looked. Are you thinking that at some point they put the body in?

00:46:38 Speaker 3

The exterior.

00:46:39 Speaker 1
If they did it.

00:46:40 Speaker 1
Had to be wrapped up in some.

00:46:44
Thank you.

00:46:44 Speaker 1
Like it had to be because.

00:46:46 Speaker 1
These version.

00:46:46 Speaker 3
Just because I had.

00:46:47 Speaker 3
Mud and it doesn't mean that that's they went on. I mean, we're thinking off road, taking the body.

00:46:51 Speaker 1
Somewhere. I mean, I'm thinking that but.

00:46:54 Speaker 3
But they could have been just as well on the silver car too. But you didn't notice any?

00:46:58 Speaker 3
Mud on the silver cars.

00:47:00 Speaker 1
I mean, the excursion could have been part of everyone's like normal, normal.

00:47:02 Speaker 3
OK.

00:47:04 Speaker 1
Dirt like the excursion.

00:47:05 Speaker 3
If you look inside this curtain.

00:47:07 Speaker 1
Like, just like in the back hatch of it. Kind of. But I mean, they're all sitting in it and stuff like it was finding like, clothes and **** like.

00:47:14 Speaker 1
I know that the excursion, though they I think they said they picked it up in Ray County, maybe like in somebody else's car and they were wanting their car back. It's very possible that he could have been parked somewhere and they could have went and did that and it was there and they used it to like have two people to come back.

00:47:28 Speaker 1
But I don't know. I'm just saying like.

00:47:31 Speaker 1
Like my guess.

00:47:32 Speaker 1
This is in right county.

00:47:34 Speaker 1
Randy, whatever his name is, he's he's he's decomposing and he's in RECO.

00:47:39 Speaker 1
But he's dead.

00:47:40 Speaker 1
Like, I mean, I know you can't close it until you see a body.

00:47:42 Speaker 3
How how can I tell you why? Why?

00:47:43 Speaker 1
But he is done.

00:47:44 Speaker 3
Give me all the reasons you.

00:47:45 Speaker 3
Think he's dead? Or guess you heard.

00:47:46 Speaker 1
I asked. I asked. I asked Brown at the water, you know, saying because I thought he's going to kill me. Like when?

00:47:51 Speaker 3
That they dressed up.

00:47:53 Speaker 1
We walked down there. Oh, you thought he's going?

00:47:54 Speaker 3
To kill you because you knew something now. Yeah, I thought this way took me down there because.

00:47:59 Speaker 1
Like like I had my my shoes were laced tight. Believe that because when we walked down there he kept looking around and stuff. We got down there and he kept ******* with his ***** pack over here and like he would turn away from me and.

00:48:09 Speaker 1
I when I turned to.

00:48:11 Speaker 1
****** like I looked back and he stuck with it and I thought he's going to just turn and shoot me, like almost all the blocked a couple times. Like almost like I thought he took me out to kill me.

00:48:19 Speaker 3
I don't. I think he OK.

00:48:23 Speaker 3
I think it was a.

00:48:24 Speaker 1
Thought I think it probably was too. I think that's why, he said. Like, this is where we're supposed to drop him and things like little hints that he was giving me to see how I was going to react.

00:48:34 Speaker 1
But.

00:48:36 Speaker 1
Yeah, I mean, I can see it in his eyes, I think for.

00:48:38 Speaker 1
A.

00:48:38 Speaker 1
Second I saw.

00:48:39 Speaker 1
Murder. But I.

00:48:43 Speaker 3
Yes, and that's what I'm trying to tell you for proceeding with your life.

00:48:46 Speaker 1
I mean, I can't. I can't really.

00:48:47 Speaker 1
Blame him either.

00:48:50 Speaker 3
But I don't mean you have to carry with them or be around to me anymore.

00:48:53 Speaker 3
Either you know.

00:48:54 Speaker 1
What I mean, but he.

00:48:57 Speaker 3
So he says he's dead.

00:48:57 Speaker 1
I asked him my slide so. So it's over with your dude. Like he's done, like, like that Job's done. He's like he said. I don't play around. I'll pop.

00:49:04 Speaker 1
A not a. He's done.

00:49:07 Speaker 2
So he can turn.

00:49:07 Speaker 3
Straight talk where he's dead.

00:49:10 Speaker 1
He told me he let me home. I told he said I done told you that I didn't. I tell you. Didn't I tell you? If I don't play around, I'll wipe the Nagas nose.

00:49:19 Speaker 3
When did he? When did he go into more detail about Pony Panic?

00:49:23 Speaker 1
He just kept ******** about pony. Like we're gonna have to.

00:49:25 Speaker 1
Go shake his shorts out like.

00:49:27 Speaker 3
Because he won't plan me for doing the job.

00:49:28 Speaker 1
Night cause he's just said poo. He's a ***** like poo. He's a whiny *** little ***** and.

00:49:31 Speaker 1
He said I'm sick of dealing with pony.

00:49:33 Speaker 3
He said in that same chair. I'll. I'll tell him where he can tell make him feel more thing sitting that thing and cried and told us Derrick killed.

00:49:41 Speaker 1
Yeah, he did.

00:49:43 Speaker 2

He said he was there begging for his life.

00:49:46 Speaker 2
My man don't kill my brother, man. Getting some help getting.

00:49:48 Speaker 2
Some help, he said.

00:49:48 Speaker 3
He has to, like, see. He's putting it on, he said.

00:49:50 Speaker 1
Yeah, I think it was, brother, wasn't it? Something about a brother I remember. They said some about a brother.

00:49:56 Speaker 2
Well, he they were like this for the.

00:49:58 Speaker 3
No, he's talking like they're close. They like. Yeah, but I mean, like, I remember they said.

00:50:02 Speaker 1
About a brother who like.

00:50:02 Speaker 3
Man, he was sitting there lying.

00:50:04 Speaker 3
His what it.

00:50:04 Speaker 3
Was I mean?

00:50:05 Speaker 1
Yeah, yeah. Put the head on.

00:50:05 Speaker 3
He he I mean he. But he's acting like Derek just did it. He didn't know it was going down.

00:50:10 Speaker 3
Nothing, but, he said.

00:50:11 Speaker 1
Yeah, I think that's what it was. I think they said they.

00:50:12 Speaker 3
We told Eric that, too. Garrett was here.

00:50:13 Speaker 1
They set it up.

00:50:15 Speaker 1
They set it up. We're like, yeah, that was like the bait to, like, you do something like that.

00:50:20 Speaker 1
I was high.

00:50:21 Speaker 1
Like I never thought I was going to be answered question.

00:50:22 Speaker 3
You never went to the house.

00:50:23 Speaker 3
Where you shot at, did you?

00:50:24 Speaker 1
I don't know where you.

00:50:25 Speaker 1
Shot.

00:50:26 Speaker 1
I thought he shot in the car.

00:50:26 Speaker 3
Did they ever stay where he was shot? Do you ever stay where he was shot?

00:50:29 Speaker 1
I thought he got in the car. All the blood in the car, it looked like you might got popped in the car.

00:50:33 Speaker 3
Hi.

00:50:36 Speaker 2
It could, but they still don't. It's right there.

00:50:37 Speaker 1
I mean, the way the blood was in the car, like it was like it was kind of like the.

00:50:40 Speaker 3
I think that.

00:50:41 Speaker 3
Could have happened to him so quick and.

00:50:42 Speaker 1
Just like this. You, you and you argue with someone in the car and turn around and talk to them and you hit them like that. They they, he told me. Like Brown told me personally, the thing, the new, the new trend in Chattanooga is hidden into the pocket.

00:50:45 Speaker 3
He definitely. He definitely went into that part.

00:50:55 Speaker 1
Like that? Like. Yeah, they watch it. Like Lake Chattanooga kids, I guess, are watching a whole lot of ******* movies, but it's like if I got a hoodie on and I got and I got that whopping, the hoodie. And I'll.

00:50:56
Sure.

00:51:04 Speaker 3
OK.

00:51:05 Speaker 1
Walk past you in a motel.

00:51:07
Boom. Boom.

00:51:17 Speaker 3
It doesn't matter, but yeah.

00:51:18 Speaker 1
That's what I would have done instead of having to lift as big as body her little as body, whatever he is, a body's dead weight instead of having to do all that I just. I just get him in.

00:51:25 Speaker 1
The car, the car I'm already going to get rid of and I would just hit him in the car.

00:51:28 Speaker 3
I think we should.

00:51:29 Speaker 3

Show him any. Then you'll proceed back to Manchester.

00:51:33 Speaker 1
We we hit the mountain and I got lost. I couldn't find a house. I was looking for. And so I we drove on the mountain for like 2 hours and then I was like.

00:51:40 Speaker 1
****.

00:51:40 Speaker 1
It let's go sell this heroin. Let's make some money. Like, let me get back to where I'm from. I was trying.

00:51:44 Speaker 3
When did you separate from it?

00:51:46 Speaker 2
That's why you got pulled over.

00:51:46 Speaker 1
Like, yeah, when I was at the motel, we served, we served this bit some heroin.

00:51:51 Speaker 1
And like I look over and I see Gullit or Blake Simmons 1, and I'm like, *** ** * ***** because I'm the hottest thing. Smoking where I'm from. They look at me like I'm *******, they'll Chapo. And I was like, for real, I'm not bragging.

00:52:04 Speaker 3
I know, I mean, I know that.

00:52:04 Speaker 1
If if they if they *******.

00:52:06 Speaker 1
Stressful. I can't even be in the car. Or like with my family, my friends or nothing we get like.

00:52:11 Speaker 1
Do we have a bar?

00:52:11 Speaker 3
In fact, even goes back to the same thing.

00:52:13 Speaker 3
You talking about?

00:52:13 Speaker 3
Your life. Leave it, yeah.

00:52:14 Speaker 1
If I got a BBQ, if I have a BBQ at my house. If you pull out the house, they're going in the ******* beans and ****.

00:52:19 Speaker 1
And they're looking for dope. They're they're, you know.

00:52:23 Speaker 3
You talked about the life. You can't.

00:52:25 Speaker 1
Believe it, this is me leaving it. Do you think I can go back to this? I mean, I got honor, you know, saying I can't look the same people and be like, man. I'll talk with you, bro. Little you gonna?

00:52:27 Speaker 3
They become very stressed.

00:52:35 Speaker 1

Die If we're gonna know a good. Well, I didn't told like a rat. So it's.

00:52:37 Speaker 3
Well, what do you think, honey did? What do you think, Derek did? Derek told us. I won't tell you what Derek did. He said no. Pony killed him. I was there.

00:52:44
They put the finger at.

00:52:45 Speaker 3
Each other. Everybody talks big on the street. That's.

00:52:48 Speaker 3
Why? I'm trying to get through you, man. Everybody types.

00:52:49 Speaker 1
I really. I really. I really held that ****. I really like. I really held that **** like that was I don't got no family. Always was the only.

00:52:51 Speaker 3
So.

00:52:57 Speaker 1
Family I had.

00:52:58 Speaker 3
To you.

00:53:00 Speaker 3
Do better than that. You know you have.

00:53:01 Speaker 1
I know probably will. I'm right now. Maybe I'll be happily ever after one day, but I'm only going to lay as I'm always going to remember the the laughs I had with ******* burn, you know.

00:53:09 Speaker 1
Saying I'm always going.

00:53:10 Speaker 1
To remember that she had a good ******* time.

00:53:11 Speaker 3
Brown talk to you anymore or any other just lines, quips about what went down.

00:53:18 Speaker 1
You know.

00:53:19 Speaker 1
He never actually said.

00:53:19 Speaker 2
You.

00:53:20 Speaker 3
You heard Pony saying. I'll pay you the rest of this stuff.

00:53:24 Speaker 1
Yes, honey sounded scared to ******* death on the phone because he knew honey ain't no killer from what I.

00:53:29 Speaker 1
Know that pooty pooty.

00:53:29 Speaker 3
Well, I tell you that.

00:53:30 Speaker 3

I mean, it was both.

00:53:31 Speaker 1
Pooty's a bitchass and like and excuse you know saying, but pony knew like and I've been hearing about pony like ponies been pony got to move on the boy and like nobody wants to do business with honey because he's such a *******.

00:53:36 Speaker 3
So he got Derrick to do his dirty work.

00:53:44 Speaker 1
It's like you pull up to his house and he's he won't come outside to serve you because he's so ******* scared all the time and I'm just like, why do you have all this status? Like, get the like like?

00:53:53 Speaker 3
So you know which one you've seen you've.

00:53:55 Speaker 3
Seen pony before?

00:53:56 Speaker 1
No, he won't come at the house.

00:53:57 Speaker 3
Oh, so you've seen the house? He stays.

00:54:00 Speaker 1
At you're kind of like up on a weird little hill thing you pull around, it's.

00:54:04 Speaker 1
It's like a duplex, like a brown house brick house. It's weird. It's like a.

00:54:10 Speaker 1
It's like somebody had a house and then they decided to do.

00:54:12 Speaker 1
**** to it did.

00:54:13 Speaker 1
You notice anything in the driveway or it's like the driveway is like a weird turn around thing in it and it's like kind of.

00:54:19 Speaker 3
Did you notice things? Anything in the?

00:54:21 Speaker 3
Driveway of the yard.

00:54:23 Speaker 1
I want to say yeah, but then I also feel like subliminally I'm listening to what you're saying. And you know what I mean? Yeah. And I don't want to say nothing is not.

00:54:28 Speaker 3
They don't. They don't take it.

00:54:31 Speaker 1
True. But I mean, I feel like it, you know, if you had cameras.

00:54:34 Speaker 1
They said he has cameras. I didn't notice the cameras, but I know they're there. If you're if you're adult.

00:54:38 Speaker 1
Boy, you got.

00:54:39 Speaker 1

Cameras. You know? No, I know rednecks.

00:54:40 Speaker 3
58 and Hwy. 58 area. Do you know anything about that?

00:54:44 Speaker 1
I know Shelford OK. I think you know what I mean. I know. I know. Motels. I wish she lived there. You sound like you're describing where we.

00:54:49 Speaker 3
Linda.

00:54:51 Speaker 3
Know his house is at.

00:54:52 Speaker 1
That's Tony's house, though, because we pulled up there looking for him because they had some boots, say some boy. He was trying to sell and I had about $1300. I couldn't spend it nowhere, and I'm about to freak the **** out like.

00:55:01 Speaker 1
I don't wanna move to Chattanooga trying to go home and make $1,000,000 like.

00:55:06 Speaker 1
So I was ready.

00:55:07 Speaker 1
To shake your shirts. I was up.

00:55:07 Speaker 3
See which I'm out so we know it. But on that phone, is he telling Derek and be Big 5 that I will get you the rest of what I owe.

00:55:14 Speaker 1
Specifically, he said he was. He said that he was fixing to leave the house. He's grabbing his keys. He's.

00:55:18 Speaker 1
Doing the store, he's grabbing the money pay.

00:55:21 Speaker 3
To pay them what he owes them on.

00:55:22 Speaker 1
Here's your send the money then, he said Big 5. They kept going like they couldn't get their ******* like they're they're spun out. They couldn't decide who was going to do what, so I finally had to decide for everybody else, like me and brown. We'll go get through this car. Y'all take Jalen somewhere.

00:55:37 Speaker 1
And go, you know, say Big 5, like you go deal with money because he's slick, you know, saying the way he talks. Like, he's like like playing, he's just going to be like look honey like we need this bread and the pony's gonna get loud with him some and and and he's going to be like why is this ***** *** boy getting loud with me he's going to just.

00:55:53 Speaker 1
Shoot.

00:55:53 Speaker 1
Him. Pop him.

00:55:54 Speaker 1
Take.

00:55:54 Speaker 1

Care of that. So I was trying to I.

00:55:56 Speaker 1
Was trying to go like the easy route.

00:55:58 Speaker 1
And I was like, you go get this boy.

00:56:00 Speaker 1
Kind of like I'm suggesting it though I can't give nobody no orders. I'm like you go get this boy. We go do this. They kept going back and forth and finally did was just like, look, we're going to go **** with this car.

00:56:11 Speaker 1
You go holler at pony. You know, I'm saying. And so he probably.

00:56:15 Speaker 3
Do you know if your female friend ended up going with them to holler at ponies?

00:56:18 Speaker 1
They I don't think they ever got. I don't think they made the pen they, she told me personally.

00:56:24 Speaker 1
That they got spun out.

00:56:27 Speaker 1
And they went started robbing Walmarts all the way from, like they started stealing from Walmart all.

00:56:30 Speaker 1
The way to Georgia she spent like.

00:56:31 Speaker 2
Damn.

00:56:32 Speaker 1
She spent three days in Georgia while.

00:56:34 Speaker 1
They robbed warns.

00:56:35 Speaker 1
They never hollered at pony like they got spun the.

00:56:37 Speaker 3
**** out. So they all that they they were in that car for three days stealing.

00:56:42 Speaker 1
Yeah.

00:56:42 Speaker 1
And Jalen was just there, probably ******* **** and, you know, doing heroin.

00:56:48 Speaker 2
The one that's pregnant? No.

00:56:49 Speaker 1
Yes.

00:56:50 Speaker 2
No, no.

00:56:56 Speaker 2
And you said that when you went down there to that little water spot right there when?

00:56:59 Speaker 2
You thought it was going to hit you.

00:57:00
Mm-hmm.

00:57:01 Speaker 3
Did you ever see a?

00:57:02 Speaker 3
Gun.

00:57:02 Speaker 1
On him, there's always a gun on same gun.

00:57:06 Speaker 3
That MP5.

00:57:07 Speaker 2
Military.

00:57:07 Speaker 3
Or 95 military police long ago to MP's, the military police Smith.

00:57:14 Speaker 1
Thank you.

00:57:15 Speaker 3
It's a good gun, nice gun only.

00:57:16 Speaker 2
I love it. It's nice.

00:57:19 Speaker 1
I need one now because I I don't. I don't see the people around my way that don't belong there.

00:57:24 Speaker 2
Everyone.

00:57:25 Speaker 3
Here's what I'd say. Don't get paranoid or spun up on that. We're monitoring everything.

00:57:28 Speaker 1
I will get spun out.

00:57:30 Speaker 1
Just know that like I don't. I'm not that guy I don't like. I don't see the same car past my house twice and think either feds are a hit man. I'm talking about. I've seen two people that I know for a fact that a they don't belong there. They look familiar.

00:57:42 Speaker 1
And there's Henley County plates on.

00:57:43 Speaker 3
Well, they it ain't anything out of.

00:57:43 Speaker 1
Their car.

00:57:45 Speaker 1
If you're in my city, you got handy county plates and you're.

00:57:46
Out of jail.

00:57:47 Speaker 1
Black. I'm probably gonna shoot.

00:57:48 Speaker 1

Honey, don't. I'm. I'm sorry, but it's like you're a gang member from Chattanooga, is how I look at it. Because, like.

00:57:54 Speaker 1
Now I am worried.

00:57:58 Speaker 1
It's not a white lightning, it's a.

00:57:59 Speaker 3
They we're all now, but we're.

00:58:01 Speaker 3
All over everything Peyton and I'm telling you.

00:58:03 Speaker 1
Going all over till home.

00:58:04 Speaker 3
Or you? No, I'm talking about the people involved. And no, no talks coming out about you. The first we've.

00:58:10 Speaker 3
Heard of you?

00:58:13 Speaker 3
Is today.

00:58:15 Speaker 1
Yeah, but in his head.

00:58:18 Speaker 1
Whose head and and played. He's head. He's like I got pulled out the car.

00:58:24 Speaker 1
And see I I saw them and I was like look like I.

00:58:27 Speaker 1
I was like, look bro.

00:58:28 Speaker 3
Did you run when he ran?

00:58:29 Speaker 1
I didn't run. I ain't got no warrants. I didn't have no dope on me. I left everything in the car. I left my money in the car.

00:58:34 Speaker 2
No, they stopped him first.

00:58:35 Speaker 1
Like I got out the car, I saw what was going on. I peeped the move. Ain't. No, I will never, ever, ever, ever in my life with police officers pull some sting operation ******** on me because I'm gonna keep the move. I got up the cars. I lived deep. Secure everything you're fixing to get stopped. They're going to pull you out the car. I'm fixing to get stopped on foot.

00:58:54 Speaker 1
I left my phone and.

00:58:54 Speaker 1
Everything in the car I walked.

00:58:57 Speaker 1
They they pull up on me, search me. I have nothing remained. Didn't have no warrants. I went to the gas station, use the gas. That or you went in the.

00:59:03 Speaker 1
Burger King use.

00:59:03 Speaker 1
Burger King phone called his phone, told him to.

00:59:06 Speaker 1
Leave my.

00:59:06 Speaker 1
Phone underneath the ******* and my money, which he didn't leave me underneath the ******* the garbage bag and the trash can. I went got my phone. I started walking. They stopped again. Investigators. They put me in the car.

00:59:17
Yeah.

00:59:19 Speaker 1
Said that he ran, he blah, blah, blah blah blah. You know, saying that they found this, that that third on him and.

00:59:24 Speaker 1
All that ****.

00:59:26 Speaker 1
And now here we are.

00:59:28 Speaker 1
That is hard to.

00:59:28 Speaker 3
Yeah, but it's bigger than what they, you know somebody.

00:59:30 Speaker 1
Yeah, but that's the entire sequence of events. So you think the bodies are right county. And that's pure speculation. They didn't say anything that made me think that until.

00:59:37 Speaker 3
But they did tell you he was dead, or you heard.

00:59:39 Speaker 1
He was dead. It. Look, somebody needs to, like, let his mom know. Like he come out.

00:59:45
What? How does that? How would?

00:59:46 Speaker 3
That think of this.

00:59:48 Speaker 3
If you do, you have any children.

00:59:50
OK.

00:59:51 Speaker 3
I don't know how it would feel.

00:59:54 Speaker 3
How it feels I have a little boy.

00:59:55 Speaker 3
And little girl, OK.

00:59:57 Speaker 3
If they were of age and somebody come and said.

00:59:59 Speaker 3
Hey, he's dead, but that's all.

01:00:00 Speaker 3
I know that's not peace.

01:00:02 Speaker 3
Dude, that's more. That's worse.

01:00:04 Speaker 1
I'm not. I'm just saying.

01:00:05 Speaker 1
That.

01:00:05 Speaker 3
Right now, she.

01:00:06 Speaker 3
Has some weird.

01:00:07 Speaker 1
Hope and then let her hold.

01:00:09 Speaker 1
On.

01:00:09 Speaker 1
To it. But it ain't gonna go nowhere.

01:00:09 Speaker 3
Because.

01:00:11
No.

01:00:12 Speaker 3
Brenda's dead and every man in this room knows that, but I don't want to go. I don't want to go. Well, I don't want to go to.

01:00:17 Speaker 1
I'm just. I'm a realist. I'd rather.

01:00:18 Speaker 1
Somebody, only your kids did.

01:00:20 Speaker 3
And tell her he's dead unless.

01:00:22 Speaker 3
We can say hey.

01:00:22 Speaker 1
You can't tell my mom that you might be.

01:00:24 Speaker 1
Able to tell.

01:00:24 Speaker 1
Dad, that maybe, I don't know. I ain't got you.

01:00:25 Speaker 3
You're right, you may be, but I would tell her somehow we do find the body. We can go to and say hey.

01:00:30 Speaker 3
We have them. You can bury it.

01:00:31 Speaker 1
Yeah, some bury them have ashes or something. And I do feel bad a little bit, I guess. And I and I know that sounds real bad or callous.

01:00:32 Speaker 3
Have somewhere you can go.

01:00:38 Speaker 3
If you ever become a daddy.

01:00:40 Speaker 3
Your whole your.

01:00:41 Speaker 3
Whole ideology of mind will change about everything.

01:00:43 Speaker 1
But I'm also. I'm also real.

01:00:45 Speaker 1
Like.

01:00:46 Speaker 1
The way my momma raised me was that she didn't raise me like I raised myself. Like, if I'm a dad and my kid decides. Hey, dad.

01:00:55 Speaker 1
I want to go.

01:00:56 Speaker 1
Be a.

01:00:56 Speaker 1
****.

01:00:57 Speaker 1
I want to tell pistols I wanna sell dope and then someone comes. Says hello you man your son got killed.

01:01:02 Speaker 1
Like it's going to hurt. It's gonna be funked up.

01:01:06 Speaker 1
Shouldn't be a **** walking around.

01:01:07 Speaker 1
A gun selling dope? That's what ******* happens.

01:01:08 Speaker 3
Yeah, but this is this is one. But this is one of these one cases in 100 or 1000 where we know someone is dead, 100% know someone is dead, but we don't have the body.

01:01:20 Speaker 1
I mean, I think that's life is like this American idea of, like, jurisprudence and justice, that you have to have a body and stuff. Maybe I I kind of like go to the beat of my own drone like.

01:01:28 Speaker 3
But you didn't see him if we have.

01:01:30 Speaker 3
If we can obviously let us.

01:01:30 Speaker 1
I think there's probably enough circumstantial evidence to say.

01:01:32 Speaker 1

That he's dead. I know it is.

01:01:33 Speaker 3
If we could show enough volume of blood, but.

01:01:35 Speaker 3
It was cleaned up, y'all cleaned it up.

01:01:37 Speaker 1
Yeah. Not the trunk. Trunk was never cleaned.

01:01:41 Speaker 1
Trump was never touched.

01:01:41
Just so.

01:01:43 Speaker 1
So.

01:01:45 Speaker 2
Right away you put the respiratory.

01:01:47 Speaker 1
All the way through to.

01:01:48 Speaker 1
The spare tire.

01:01:49 Speaker 3
I'll talk to you in a second about.

01:01:51 Speaker 1
From what I saw.

01:01:52 Speaker 1
I never touch the Trump Trump, where we didn't have enough to sanitize.

01:01:56 Speaker 2
Because you said you only about.

01:01:57 Speaker 1
One ball, right? Yeah. And I we would have.

01:01:58 Speaker 3
What was that? What was that? I know you talked about the gloves, but they also found a bloody towel.

01:01:59 Speaker 1
To take care of them.

01:02:04 Speaker 1
In the car, it's probably just.

01:02:05 Speaker 1
Something that was like wiping.

01:02:05 Speaker 3
Did you want to use?

01:02:06 Speaker 3
A bloody towel to wipe stuff down.

01:02:08 Speaker 1
There's a lot of blood, like caked into the like the door.

01:02:11 Speaker 1
Frame which door?

01:02:11 Speaker 2
Damn.

01:02:12 Speaker 3
Right.

01:02:13 Speaker 3
Both next sheets both back seats.

01:02:15 Speaker 2
We're passing every driver.

01:02:17 Speaker 1
Passenger and driver back seats top and.

01:02:20 Speaker 1
Bottom of the door.

01:02:21 Speaker 1
Frame in our lives.

01:02:21 Speaker 3
Like he leaned on one and then leaned on another.

01:02:23 Speaker 1
Not like it's sprayed.

01:02:25 Speaker 2
You think he was shot in the car?

01:02:27 Speaker 1
I don't see how he wasn't shot in the car unless they shot him somewhere else and then decided to take him and.

01:02:32 Speaker 1
Rub him all over the ******* car like I would.

01:02:33 Speaker 3
He could. He could have had a arterial spurt, some type of from the trunks.

01:02:37 Speaker 2
Depends on what I'm.

01:02:39 Speaker 3
No, I'm saying that he could have had.

01:02:41 Speaker 3
Something that was pulsating blood.

01:02:43 Speaker 1
I don't think my like like I know he's got some bodies and like he don't.

01:02:48 Speaker 3
You're saying you got more than this one?

01:02:49 Speaker 1
Oh, he told me he just got somebody, he said. Like he said, the reason he's got a ride around that pencil, he's gonna pop people in Chattanooga like.

01:02:55 Speaker 3
He's been he's.

01:02:56 Speaker 3
You never talked about any of them in general?

01:02:58 Speaker 1
Yeah, but just vaguely nothing I.

01:03:00 Speaker 3
Like once vaguely, it may line up something we know.

01:03:00 Speaker 1
Could tell you that.

01:03:03 Speaker 1
Not really like I just like.

01:03:05 Speaker 3
When you said vaguely was he say, about another other bodies.

01:03:08 Speaker 1
You could try me.

01:03:09 Speaker 1
I popped him.

01:03:10 Speaker 3
Not where he was at, what? How it went down.

01:03:13 Speaker 2
Can just let you know you whip it.

01:03:14 Speaker 2
He with it.

01:03:15 Speaker 1
Yeah, but you just, you just know.

01:03:17 Speaker 1
Well.

01:03:17 Speaker 3
How many times has he said.

01:03:19 Speaker 3
That he's popped somebody to you.

01:03:22 Speaker 1
I mean.

01:03:23 Speaker 1
He said that when the dope business ain't when, when when he can't make no money on dope, he started wiping noses like he's like he.

01:03:29 Speaker 3
Maybe.

01:03:30 Speaker 3
Right him up.

01:03:31 Speaker 3
Or or no. He's hitting complete hit, not Robin.

01:03:34 Speaker 1
Yeah, like he'll hit you, Robbie. Where? Like, if he gonna rob you.

01:03:36 Speaker 1
Might as.

01:03:36 Speaker 1
Well, hit you. What the what the ****?

01:03:37 Speaker 3
You're saying he he.

01:03:38 Speaker 3

He talked about being a paid hit man.

01:03:40 Speaker 1
He's been doing that since, like.

01:03:41 Speaker 1
The 80s, I said.

01:03:44 Speaker 1
Not necessarily. You know what I'm saying? Like he says, way back when, like.

01:03:45 Speaker 3
Yeah.

01:03:48 Speaker 2
We don't know that all the good.

01:03:50 Speaker 1
I mean, like he said, that when he when he when he became vice Lord, there wasn't there wasn't many vice.

01:03:54 Speaker 1
Lords in Chattanooga.

01:03:55 Speaker 3
I ain't still ain't meaning.

01:03:56
Compared to the other, but yeah.

01:03:56 Speaker 1
Yeah. So you know what I mean? Like he said like.

01:04:00 Speaker 1
He's been a killer.

01:04:01 Speaker 3
But he's probably contracted out to these other.

01:04:03 Speaker 3
Like 40s or 60s or.

01:04:05 Speaker 1
The G's advisors are on one deck here.

01:04:09 Speaker 3
We got a lot of cheese, we got a.

01:04:09 Speaker 1
'S and G's.

01:04:10 Speaker 1
Lot of geese. Let's see, like, like the geese. The geese from like.

01:04:15 Speaker 1
I think with the G's right, West.

01:04:18 Speaker 1
Maybe.

01:04:20 Speaker 1
Whatever whatever side of town that there's a whole lot of bloods that the Jews grew up around, they **** with the vice Lords cause you.

01:04:26 Speaker 1
Know like the.

01:04:26 Speaker 1

Blood Vice Lord type ****, which ain't really real, but it's an idea. But like the geese that grew up around all that that you know, it's hard on them. Like, if you you're 1 hood all GD E Lake East lake.

01:04:40 Speaker 3
Than anybody, I think.

01:04:41 Speaker 1
Yeah, but like W Chattanooga.

01:04:44 Speaker 1
There ain't no so many G's, so the G's that were out there in West Chattanooga, they're cooler with vice Lords. They flock with fire so they **** with the bloods. It's the Gees out there in East Lake E Chattanooga shift. They're like ****. We don't need no where. The game. We are the gang. GD Bigg's the biggest gang in Chattanooga because.

01:05:01 Speaker 2
These are the joint.

01:05:02 Speaker 1
Yeah, ain't no. Can you be a? You can be a cold ***** and join GD just because.

01:05:05 Speaker 1
You ain't got no rap.

01:05:06 Speaker 2
Exactly. But that's going to hit the regular delivery thing.

01:05:08 Speaker 1
Yeah, yeah.

01:05:11 Speaker 3
They bless everybody else.

01:05:13 Speaker 2
Yeah, yeah. You just wanna join you? Could you gonna wreck them?

01:05:14 Speaker 1
This is this is this might be interesting for you to know though.

01:05:18 Speaker 1
If you're a registered gang member in Chattanooga, you have a buddy you're not allowed to. You can't be crypt or see crypt. Whatever you can't. There ain't no hoods that are allowing you to to to see crypt. If you, if you ain't. If you ain't got a body.

01:05:31 Speaker 1
In fact, that there's some like some of the hoods out here don't mean they die. Just means they've.

01:05:35 Speaker 3
Hit somebody with a bullet.

01:05:38 Speaker 1
Chattanooga, if you hit somebody that don't usually, but from what I understand why they're hitting with a pocket like your homeboys are hitting you, that's another big thing. Is like, I could pay. Like, if you're 6 or I could pay them 60 cats to kill you.

01:05:51 Speaker 3
Kill their own boy.

01:05:52 Speaker 1
Now put a thousand 1000 a.

01:05:54 Speaker 1
1000 and we go kill, we go kill.

01:05:57 Speaker 1
They're like a band.

01:06:00 Speaker 1
Young cat and never seen that much money.

01:06:03 Speaker 1
He going to smoke his ***? Yeah. He robbed me in 3rd grade, took my lunch money, smoke his ***. He's done done.

01:06:08 Speaker 1
Dal.

01:06:11 Speaker 1
Ain't no love.

01:06:11 Speaker 3
How how many times? Let me jump back. How many times you been around Big 5?

01:06:15 Speaker 1
Twice.

01:06:16 Speaker 1
But you know, they said in prison.

01:06:18 Speaker 2
Yeah, minimum classification.

01:06:20 Speaker 3
Why won't you show a picture?

01:06:21 Speaker 3
Of said that big.

01:06:28 Speaker 3
I'll be back. We got going. Get.

01:06:31
That picture while.

01:06:32 Speaker 3
I'll bring that in.

01:06:34 Speaker 2
Then it should be right?

01:06:45
I'll get.

01:06:46 Speaker 1
We'll get it. We'll get it. I can't stop.

01:06:50 Speaker 2
What?

01:06:50 Speaker 1
I hope this ain't did like I hope this is like.

01:06:59
There.

01:07:00 Speaker 2
Probably put my food.

01:07:01 Speaker 3
Out. Alright, no.

01:07:01 Speaker 2

Food in there. Thank you.

01:07:04 Speaker 1
You know, so that's.

01:07:06 Speaker 2
I'm the one that got my phone.

01:07:09 Speaker 3
If you want to see that on microwave, let us know.

01:07:17 Speaker 1
I shouldn't. You're all good. I'm ready to go.

01:07:50 Speaker 1
Itself.

01:08:27 Speaker 3
Lower.

01:08:45
Hey.

01:08:53 Speaker 3
Yeah.

01:11:04 Speaker 2
Spoon.
